Acid Free	Yes
Opacity	>95%
CIE Whiteness	>75%
Printer Compatibility	Canon, Epson, HP, Encad
Ink Compatibility	Dye & Pigment

Media Handling and Printing directions

Where possible, all paper should be stored and used within the following range of environmental conditions. Use and store ideally at a relative humidity of 30 to 70% and a temperature of 10 to 35°C. All recommendations and product indications are for your guidance, and are subject to our test criteria, which remain subject to change without prior notice. Unused paper should be stored in its original packaging, out of direct sunlight under normal climatic condition. Use care in handling printed material, surface susceptible to abrasion. Store papers in archive quality envelopes, folders, and boxes. Use only archive grade tapes and glues for mounting & framing.
